Dear Friends,

Welcome to Pune; Oxford of the East!

Pune Obstetrics & Gynaecological Society under the aegis of FOGSI invites you to yet another academic extravaganza “FOGSI CNN 2017” scheduled between 23rd - 25th June 2017. The venue is the plush Hotel JW Marriott.

Obstetrics & Gynaecology is a dynamic field and a lot of information is evolved with ongoing research worldwide. We bring to you the latest in the field of Ob Gyn with Controversies in Ob Gyn, Newer advances in Ob Gyn and Newer evidence in Ob Gyn. Our team is gearing up for this landmark event in Pune under the able leadership of Dr Rishma Pai, President FOGSI 2017 and Dr Sunita Tandulwadkar, Organizing Chairperson, FOGSI CNN. We are planning an enriching experience of an academic feast for you with the experts to update your knowledge & skills. You are familiar with the Puneri hospitality & you will experience it all over again with the gastronomic feast, cultural heritage and fellowship with friends and colleagues.

The scientific program begins on Friday 23rd June with interactive workshops on Infertility, Labour and Delivery, HIP-HDP, Ultrasound in Ob Gyn, Medicolegal Issues and Live Vaginal Surgery. Main conference on 24th & 25th June will cover the Controversies and Newer Advances & Evidences in Ob Gyn. The National & International faculty are handpicked experts in respective fields and we in Pune assure you that FOGSI CNN 2017 will remain with you forever for academic & nonacademic activities.

Best Regards,

Ethics & Guidelines: Our umbrellas of protection
The Sacred Patient-Doctor relationship has become a thing of the past and is now potentially an adversarial relationship with each patient seen as a potential plaintiff and each question as a possible source of angst. This has metamorphosed into the so called 'defensive medicine' which further ignites the matters.
